Dear Bob,

The motivation and sales growth selling and marketing program you presented for our builders kept them totally interested and entertained and gave us all valuable selling and marketing techniques to increase our sales and profits.

Your presentation style and vast selling experiences depicted in your real-life stories and examples will help all home builders take their companies to the next level. From your unique "Dare to be Different – Professionally Aggressive" introduction through your last riveting story, you got our meeting off to a great start and contributed greatly to its overall success.

Many Thanks,

*Andy Miller*
