Dear Bob:

Our small business workshop attendees were unanimous in their praise and enjoyment of your sales growth program, "How to Survive and Prosper Among the Giants." Their evaluations gave you very high ratings in providing them with valuable business management and selling skills and techniques.

All agreed that your many years of experience combined with your high-energy, interactive and entertaining presentation style created a session that was well worth their time.

I look forward to working with you again soon.

Sincerely,

Milele Archibald
